100% of the total sample size (N = 1000) was used for the analysis. The data were analyzed using the SPSS 25.0 software package. The results are presented in the form of mean, standard deviation, and percentage. The chi-square test was used to examine the relationship between the variables. The level of significance was set at 0.05.

1. The first part of the document is a title page. It contains the title of the document, the author's name, and the date of the document. The title is "The first part of the document is a title page. It contains the title of the document, the author's name, and the date of the document." The author's name is "The author's name is the name of the person who wrote the document." The date of the document is "The date of the document is the date when the document was written." The title page is the first page of the document and it is usually the most important page. It is the page that the reader sees first and it is the page that the reader will remember. The title page is the page that the reader will see first and it is the page that the reader will remember. The title page is the page that the reader will see first and it is the page that the reader will remember.
